

Safety Check Plans Told At Luncheon

Nearly 100 people, interested in traffic safety on our streets and highways, attended a luncheon meeting of the Los Angeles Chapter of the National Traffic Safety Council in Torrance last Wednesday.

Theme for the meeting was "Community Vehicle Safety Check."

Newton L. McLaughlin, secretary, New Car Dealers Association, Long Beach, and a member of the Long Beach Traffic Safety Council, said safety in driving must be kept before the public in order to be effective. He commended the Torrance Traffic Safety Council's past and future plans.

Police Officer Don Hartel, associate member of the Torrance Traffic Safety Council gave a brief resume of the Community Vehicle Safety Check which will be held in Torrance Saturday and Sunday, May 25 and 26, from 9 a.m. to 6 p.m. at

three locations.

One will be located on the new Civic Center, one at Hawthorne and Sepulveda Boulevards on the Bank of America parking lot.

The 10 point safety check will be given free to motorists who will bring their car or truck into the safety check lanes.

The third location will be

announced later.

The three Lions Clubs of Torrance are co-sponsors. Also at these locations will be a seat belt clinic, sponsored by the Torrance Junior Chamber of Commerce. Seat belts will be available at a special low price, but will not be mandatory in order to pass the 10 point safety check.

A \$500 Gift Of Gratitude

A \$500 check has been presented to Riviera Community Hospital by Don Wilson, president, Southwest Construction Co., to provide funds to redecorate patient rooms, according to Robert W. Lyons, hospital administrator.

The contribution was made in recognition of the outstanding care given to Lee Halson, South-west Construction executive, who was a patient at the hospital recently.

Riviera Community Hospital is a 96-bed, non-profit,

general voluntary community hospital.

The Torrance Junior Chamber of Commerce has announced that May 25 and 26 will be the dates of the second annual seat belt clinic. Seat belts will be available at three locations this year on one week-end only.

The Seat Belt Clinic will be held in conjunction with the Torrance Traffic Safety Council's "Circle of Safety" campaign which will provide free auto safety inspections.

Three locations within Torrance have been tentatively chosen, with the final announcement expected next week, after the approvals for the usage of the sites have been received.

This week Palos Verdes Bowl celebrated a happy birthday for Gladys Peale. I was not able to find out how old Gladys is, she is going to keep that a secret. However, Gladys knows for sure that her hubby loves her a lot, for he gave her a beautiful diamond ring.

Congratulations Gladys, and may you have many more as nice as this one.

The P.V. Foresters bowler of the month is Jim Whits for a 701 series. Sophie Langridge rolled a 600 and Ernie Helm went up the ladder with 165, 166 and a 167. On the Reddy Fivers, Lois Speed picked up the 6-7 split and Harry Rosen, bowling on the Us Two League, picked up the 6-7-10.

We would like to extend our warmest congratulations to two fine people, Etta Pelrov and Don Fox on their recent marriage. May it be a long and happy union.

Kaiser Hospital, of Harbor City, won the Inter-Hospital Bowling tournament, which included Kaiser Hospitals from Los Angeles and Fontana.

The men's team from Kaiser Palos Verdes were as follows: Bob Schroeder, John Marshall, Ray Martinez, Ken Barker and Bob Avery.

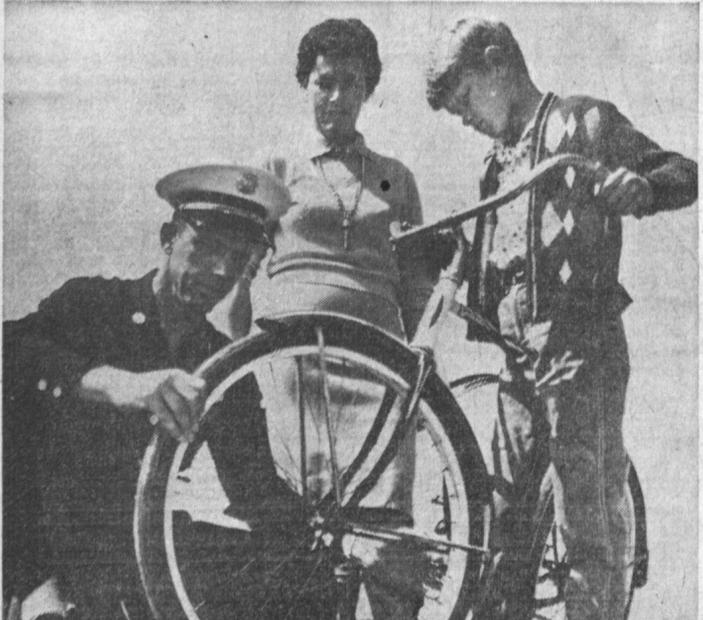

The women's team consisted of Fran Mora, Adda Fox, Betty Plante, Clara Gay and Rita Gardner.

John Marshall won high game with a 196 and Etta Fox took the high game honors for the ladies with a nice 247. Fran Mora rolled an even 600 series. Although the bowling was done at Cove Bowl the trophies were furnished by Pat Forrester, of Palos Verdes. Mike Babich from Cove Bowl contributed also.

Bill Norvas and The Upstarts have just completed a highly successful three week run at The Mariner lounge in Lomita. The song and dance act left the Coast Sunday (4-7-63) for New Orleans where they open April 11 for two weeks at the Blue Room in the Roosevelt Hotel.

The Mariner lounge, where Norvas broke in his new act, is becoming noted as a showcase for such events. Manager Phil Grace has scheduled several more new act break-ins before appearances in Las Vegas and other major cities.
